TABLE OF CONTENTS

5

SENIORS

This show stars a cast of seventy odd Seniors. Each has played a unique role in making this show such a success. After a 13 year run, the cast has decided to call it quits. The final episode is to be aired May 21, 1978.

25

UNDERCLASSMEN

Year after year this popular show has been the family's favorite. The main reason for its popularity is that the character portrayals give a realistic look at teens growing up in a rural community.

35

ACTIVITIES

The main stream of school life is the activities. This show gives a brief look at the participants and the various activities in which they are involved.

63

SPORTS

Sports include everything from swinging a golf club to bouncing a basketball. This program wraps up a year with a brief look at a variety of different sports.

91

FACULTY

This experienced group of veteran actors has come up with another award-winner. This time they have combined their talents into an educational show.

103

ELEMENTARY

New stars are cropping up everywhere and this show has them all. In a few short years this group will be part of many major shows.

111

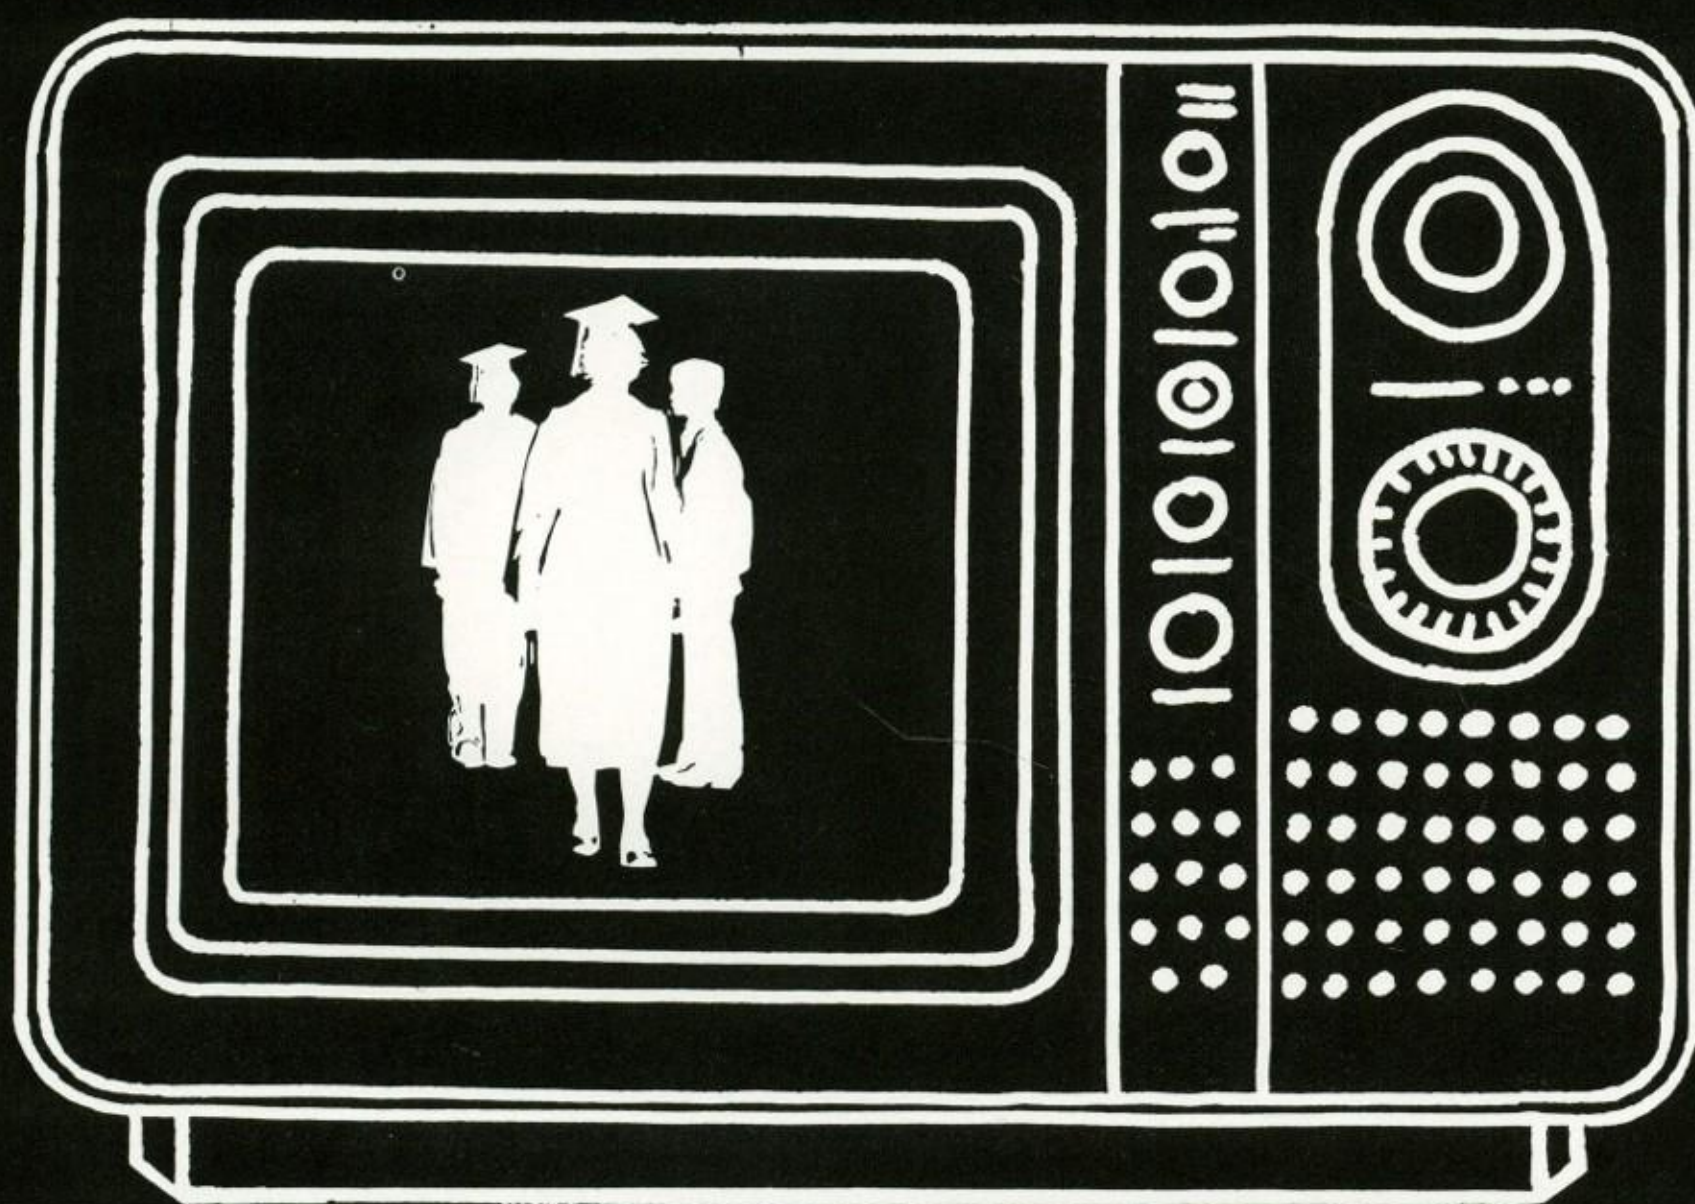

ADVERTISEMENTS

This show is a tribute to all the advertisers. It is a special thank-you to the sponsors who have made all of the television programs possible.

136

SPORTS SPECTACULAR

A school year which began as most other years turned out to be a spectacular year for sports, especially basketball. This program gives a glimpse of the excitement of the team as well as the school.

CHICAGO TRIP

The senior class toured Chicago on April 7, 1978. The buses left Ottoville at 4:45 A.M. The seniors then toured the Museum of Science and Industry, Chicago Tribune and later went to the top of Sears Tower. Supper was eaten at the Pinnacle, a revolving restaurant. Visiting Chicago was a new experience for the senior class of Ottoville but greatly enjoyed.

CLASS SONG:

SWEET MEMORIES

Sweet memories, Our memories
They always find us,
Looking behind us.

To all the good times,
And sunny days,
To all the good friends,
Along the way.

Sweet memories, Our memories
They are behind us,
Trying to blind us.

From all the dark skies,
From all the tears,
From all the loud cries,
Throughout the years.

Sweet memories, Our memories
They're always there,
We'll always share,
Sweet memories.

THE OEA EMBLEM

The official OEA (Office Education Association) emblem, selected by the student members, has a profound and significant meaning. The four points of the shield stand for Ambition, Leadership, Socialibility, and Poise. The shield itself stands for the honor and dignity of the office profession. The quill and inkwell represent the stability of the office through the ages. The stripes represent direction; and the letters OEA stand for the name of the organization.

HIGHLIGHTER

Ottoville High School

EDITOR'S NOTE

The 1977-78 school year brought about many new and exciting events for the Ottoville community. Covering these events soon became part of an everyday routine for the Ottoville HIGHLIGHTER staff. We learned how to out guess the future and retrace the past with firsthand, accurate information.

As sixteen fresh journalism recruits, we studied procedures and techniques until we became well versed in several areas of news reporting and production. We developed opinions into editorials, artistic skills into cartoons, imaginations into horoscopes, and seniors into spectrums.

Putting out the school newspaper is an experience all of us will tuck in beside the other exciting events of being a Senior in 1978.

ABOUT THE STAFF

The Journalism class this year tried to involve the entire class in the production of the paper. To begin with, the class chose a permanent staff consisting of: EDITOR Dana Kortokrax, CO-EDITOR Jeff Kaufman, PHOTOGRAPHER Nancy Becker, HEAD TYPIST Sue Rode, and BUSINESS MANAGER Judy Kuhlman. Each month a different person was randomly chosen to assist each member of the permanent staff. This system allowed each member of the class to have an opportunity to work directly with the newspaper, besides just reporting news.

Many accomplishments were achieved by the 1977 Ottoville golf team. Among them was a second place finish in the Delphos Country Club Invitational and an overall record of 18-5. Postseason play found Ottoville finishing second in the Sectional and being the first P.C.L. golf team to qualify to advance to the N.W. District played at Findlay Country Club. This year's team did lose a chance to win a third straight P.C.L. golf crown and finished a very close second.

I would like to take this opportunity to personally commend the members of this year's golf team, especially the seniors, for the participation and hard work in advancing the golf program at Ottoville. For the underclass, I hope this will carry-over to next year and we will be able to accomplish even more of our golfing goals.
— Coach Maley

COACH'S MESSAGE . . .

Much was expected from the 1977-78 Ottoville Varsity Basketball team and they definitely met the challenge. Teamwork, excellent defense and ten lettermen contributing allowed the "Big Green" to compile a fine overall season record of 23-4. These same qualities plus some fine offensive performances allowed the team to have its great tournament success. The "Big Green" was successful in breaking the District tournament jinx by winning the District and Regional Championships and advancing to the State tournament at Columbus.

I would like to commend and congratulate the team for their fine season and their adding to the fine basketball tradition at Ottoville by advancing to the State tournament. It was a privilege for me to work with these quality young men and this fine basketball team.

COACH'S MESSAGE . . .

The 1977-78 season for girls' basketball was an outstanding one. A major factor that contributed to this was the total team effort that was evident throughout the season and in tournament play. It was this effort and dedication combined with experience that enabled the girls to capture the PCL title for the second straight year, and the sectional championship for the third straight year. In addition, the team won their first district championship, and were the first county team to become regional runner-up.

I would like to thank everyone involved for making this an outstanding season.

Bev Girten

Hit the dirt.

COACH'S MESSAGE . . .

The 1978 spring baseball program at Ottoville has to be considered a great success. The season started with a group of young, inexperienced ball players (many playing unfamiliar positions) mixed with a sprinkling of veterans. The season ended with an 11-6 record and a trip to the Regionals at Patrick Henry. The major asset in this year's success lies directly in the attitudes of these young men. They listened, learned and, most importantly, came to play. This team exhibited an immense love for the game of baseball and this directly resulted in their accomplishments. Coaching this group of young men was a gratifying experience.

Able to leap hurdles in a single bound.

Heave Ho!

We won the county meet for the third year in a row and qualified two boys for the state meet: Dan Hermiller and Ed Wehri.

We had new school records set by Keith Wittler in the high jump-6'1 3/4"; Jeff Koester in the 300 meter hurdles-40.2 seconds; and Ed Wehri in the discus-141'9".

The seniors provided the leadership we need for another successful season.

We have reason to look forward to next year with our top three scorers in the juniors class.

Congratulations, team for making this a fine season by their hard work and dedication.

Bob Kaple

We're moving now!

A mad dash to the end!

Few of us are faster than a speeding bullet,
more powerful than a locomotive, or able to
leap tall hurdles at a single bound; we are not
supermen, but sportsmen. We play to win, but
even more, just because we love to.
